

MADRID: FRONT-RUNNER IN DIGITAL INFRASTRUCTURE, BUSINESS AND TRANSPORTATION

Thanks to its wide range of hotels and congress venues, and to its excellent transport network connecting the city with the rest of Europe and the world, Madrid has become one of the **favorite destinations for business**.

Madrid's digital infrastructures have transformed the city into **one of the main telecommunications and data hubs of Southern Europe**. Madrid is one of the three European cities with best connectivity including its outstanding 100% broadband reception.

Adolfo Suárez Madrid-Barajas is the **5th airport in Europe** in terms of passenger traffic (Eurostat, 2022)

Adolfo Suárez Madrid-Barajas is the **2nd best airport in Southern Europe** (Skytrax World Airport Awards, 2022)

Madrid, the main **telecommunications and data hub** in southern Europe
